

Organize His Way

Is your kitchen table piled high with everything but dinner?

Are your closets overstuffed?

Is your stuff getting in the way of God?

Eileen Koff, Certified Professional Organizer, has a mission: to take your chaos and transform it into order.

Organize His Way is a simple yet profound approach to understanding what God says about your stuff! Let her humorous and enthusiastic presentation inspire you to create order and balance in your everyday life.

Give the women in your community an event where they will start to experience the joy of living in an environment that enables them not only to succeed, but be blessed to live life to their full potential.

What others are saying:

Eileen,

I felt that you spoke right into my heart, and I know it was God convicting me of what I need to do. I've spent years going around in circles and finally I now have a clear and practical direction. It's amazing that when God touches you, everything changes. I learned so much from you today and I can't wait to learn more. – Joyce W.

If your women's group can benefit from learning easy and practical organizing skills in a creative setting, please contact Eileen today. **Organize His Way** can be tailored to fit your individual needs, whether it's an hour or an all-day retreat.
